

Aspirations of Spirit

*Through inspired action, thoughts find a
Vessel through which to convey ideas that
Imprint themselves upon the mental canvas.*

*Each attempt, a journey in search of wisdom
Beyond the surface of ordinary experience.
Each pearl imagination unearths, creates a
Wealth unknown to sleepwalkers of foreign*

*Lands. Given that true wealth is usually
Tucked away from prying eyes. One's ability
To recognize it, proves something of a gift
Given the difficulty of learning its secrets.*

*A curious mind serving as a guiding light
Upon the journey to awaken dormant
Aspects of one's higher nature. Regardless*

*Of burden and toll to one's temperament.
For the insights gleaned, transform the*

*Very fabric of reality itself, ushering in
Change through a variety of means.*

*Each capturing a unique element of the
Internal flame; and the restless nature of
A search for something beyond everyday
Experience. A struggle for meaning that*

*Nudges one beyond the comfort of
Ordinary life. To search for deeper
Truths in the dreams one envisions,
To expand upon in constructive ways.*

*Given life's fleeting nature, and the weight of
Expectation that shadows one's every effort:
The path towards growth and prosperity*

*Encourages one to explore avenues of thought
Outside of comfortable boundaries. To awaken
Dormant aspirations of the soul, so one may
Experience insights of a transcendent nature.*
